

SCARAP2 :
Rigid and semi-solid shell

Technical Sheet

BUDGET'CAP

Description :

The EN 812:2012 compliant safety cap, **BUDGET'CAP** Surflex®, is the **most economical** choice in our range. Made from 100% cotton, it combines simplicity and performance to provide essential impact protection.

Its integrated elasticated back adjustment allows for a quick and secure fit, easily adapting to all body shapes. Ideal for environments where basic protection and lightweight comfort are required, this cap offers **excellent value for money**. It is available in black and navy blue.

SIMPLE, EFFECTIVE PROTECTION AT THE BEST PRICE.

Short visor of 3 cm

Head protection with **standardized ABS shell EN 812 : 2012**

100% cotton

The **elastic band** at the nape of the neck reinforces the stability of the cap on the head, ensuring optimal support even during forward or backward tilting movements.
