

SCARAP2i:
Semi-full shell

Technical Specifications

Fleece Workwear Beanie

Description :

With or without a protective shell, the Surflex® Fleece Workwear Beanie protects the wearer from head impacts. Our safety beanies are made from materials that retain heat while promoting the evaporation of perspiration. They ensure both comfort and breathability. The Surflex® Fleece Workwear Beanie is designed to be an indispensable partner in the fight against the cold.

FLEECE WORKWEAR BEANIE WITH PROTECTIVE SHELL CONFORMING TO EN 812:2012
