Chinstrap

Description :

The Surflex® protective chin strap provides optimal support for the safety cap by adapting to the user's size thanks to its adjustable adjustment. Equipped with a plastic chin guard, it guarantees improved comfort. In addition, it releases automatically under the effect of a force of between 150 and 250 Newtons for enhanced safety.

PRACTICAL AND DISCREET CLIP TO KEEP YOUR CAP IN PLACE COMFORTABLY AND EFFICIENTLY.

Compatibility:

- AIR STREAM Surflex® range
- BADGE CAP Surflex® range
- DEFENDER Surflex® range
- Security helmet
