

Non-rigid hull: light, flexible and airy: SCARAP5

Technical Sheet

SAHARA

Description :

The SAHARA Surflex® safety cap combines style, comfort, and protection. **Equipped with an EPP shell** (SCARAP 5), made in France and certified EN 812:2012, it guarantees effective protection against impacts.

Its **100% water-repellent**, UV-50+ nylon material ensures weather resistance and optimal sun protection. Designed for user comfort, it features a ventilated headband, a **sun visor**, and **an anti-UV safari jacket**.
Several versions are available (With shell/without shell...)
