

SCARAP2i:
Semi-full hull

Technical Sheet

BONNET WORKWEAR

Description :

The Surflex® safety WORKWEAR CAP range includes caps with or without a removable EN 812:2012-compliant protective shell, protecting the wearer from head impacts. We craft our safety caps from materials that retain heat while allowing your skin to breathe, reducing perspiration. Whether you work outdoors or in cold environments, our CAP collection is your ally in facing the cold.

WORKWEAR CAP WITH PROTECTIVE SHELL COMPLIANT WITH EN 812:2012
