Non-rigid hull: light, flexible and airy: SCARAP5

UPF 50 +

Technical Sheet

BOB ECLIPSE

Description :

The Surflex® ECLIPSE safety hat combines style, comfort, and protection. Equipped with a PP shell (SCARAP 5), made in France and certified EN 812:2012, it guarantees effective protection against impacts.

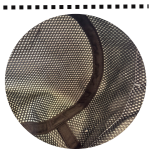

Its 100% water-repellent, UV-50+ nylon material ensures weather resistance and optimal sun protection. Designed for user comfort, it incorporates a ventilated headband, a sun visor, and an anti-UV safari jacket.
Several versions are available (With shell/without shell...)
